\*For all non-starter kit systems the first 90 days of Support and Upgrades are included free of charge. The prices listed above cover a full year; this means that for the first year you only pay 75% of the amount listed.

All systems, whether leased or purchased, include an unconditional 90-day money back guarantee. This guarantee also covers the cost of the initial data conversion if the conversion is done by CWC at the time you purchase or lease QuickFill.

**If you choose to continue to lease after your first year the following pricing policies apply:**

Annual Lease: Prevailing rate at the time the lease is renewed.  
 Annual Support and Upgrades: Prevailing rate at the time the lease is renewed.

Buyout price: At any time during a lease year you may purchase at the price that was in effect at the beginning of the year, less the credit for your first year's lease payment
